

# Red Bank Elementary School

Dear Red Bank Family,

I would like to take this opportunity to thank you for visiting the Red Bank Homepage. I trust you will find everything you need to make your Red Bank experience both pleasant and productive. Our goal here at Red Bank is to provide your child with the tools necessary to become self-starting, independent learners. Our staff is committed to providing a quality instructional program within a warm and nurturing environment where children learn to work collaboratively with others, become contributors to their community, and produce quality work. In that regard, I am proud to be a part of a neighborhood school where excellence is the standard.

I hope you will take time to visit our website often in order to remain up-to-date on current activities and events. In addition, you will also find our monthly newsletter, PTO calendar, staff listing, lunch menu, and other helpful links. Also, please take the time to introduce yourself if I have not had the opportunity to meet you. A strong connection between the school and the home is a necessary component of a productive educational community.

I am looking forward to another great year here at Red Bank. Please contact me at anytime if you have questions, concerns, or just want to talk. I will be glad to speak with you.

Sincerely,

**Karry Corbitt - Principal**
